Introduction

Whether you are embracing or not embracing the gray, fun temporary hair colors and camouflage can be helpful. So if you wish to camouflage your (pink) scalp or roots, or add a fun streak (or more) of color, this is the guide for you.

This Guide is by no means exhaustive but we hope the information provided will help you save both time and money on the road to gorgeous silvers.

If you follow the CG method, look for products that are indicated to be CG safe. Manufacturers often change ingredients in formulas so be sure to double-check them before buying.
